

REMARKS

Applicant has submitted a revised drawing sheet containing Figures 3A, 3B, 4A and 4B in place of the originally-filed drawing sheet containing the same figures to correct the figures with respect to the cutting edge. As shown in the revised Figures, an inclined cut is only indicated with respect to the course of the cutting line. The cutting faces are rectangular rather than beveled, as originally shown.

As it pertains to the claims, Applicant has canceled claims 7 and 10.

No new matter has been added. Examination of the same is now requested.

Respectfully Submitted,

ARTZ & ARTZ, P.C.
